## Keeping your personal information secure:

Protecting your personal information can help reduce your risk of identity theft. Here are a few tips that may help you keep your information safe:

- ✓ Lock your financial information in a safe place in your home; or ask us about a Safety Deposit Box;
- ✓ Shred receipts, bank/physician statements, credit offers, expired charge cards, insurance forms, and any similar documents when you no longer need them;
- ✓ Opt out of prescreened offers of credit and insurance by mail. You can opt out for 5 years or permanently. To opt out, call 1-888-567-8688 or go to [optoutprescreen.com](http://optoutprescreen.com)
- ✓ Limit what you carry. Leave your social security card at home, and black out all but the last four numbers on your Medicare card.

### Securing your valuables: Why using a Safety Deposit Box is beneficial.

-Your most valued possessions and copies of important papers are protected from theft, fire, flood, or other natural disasters at home.

-A Safety Deposit Box is a cost effective way to keep valuables safe, private and protected from being lost or misplaced. Cost varies depending upon the size of the Safety Deposit Box. Box sizes available at our Dawson Branch are 3x5, 5x5 & 5x10 and at our Renville Branch are: 3x5 & 5x5. The annual fee for a 3x5 is \$15, 5x5 is \$20 & 5x10 is \$30.
