Dear Members,

The Dawson Co-op Credit Union takes the safety of our members and employees very seriously. We are committed to serving our members during this uncertain time. With the threat of the pandemic and as the Centers for Disease Control has recommended, we have closed the lobbies at all three branches to protect our employees and members from the spread of COVID-19. The drive-thru at all locations will remain open.

We are still here for all of your financial needs! We are available by appointment for loan servicing or access to safety deposit boxes.

Dawson – 320-769-2908

Renville – 320-329-3152

You will continue to have 24/7 access to your accounts using our online banking, remote deposit capture, extended night-drop services, ATMs, and debit/credit cards.

Our staff is also available during our normal business hours for the following financial needs:

- Drive-thru transactions such as deposits, withdrawals, balance inquires, and transfers
- Loan Servicing (by appointment only)
- Access to safety deposit boxes (by appointment only)
- Online account assistance
- Debit/Credit card issues
- HSA/IRA contribution and renewal

We remind you to monitor your accounts and continue to protect your personal and financial information. There are fraudulent websites and emails out there as well as scams relating to the pandemic. As always, our accounts are federally insured up to \$250,000.

We apologize for any inconvenience this may cause as we are doing our part to minimize the spread of the virus. Thank you for your patience and understanding during this unprecedented time.

Sincerely,

John Nevins
Manager
