Mandatory Face Coverings

As we continue to adapt to the ever-changing knowledge and guidelines regarding this pandemic, Governor Tim Walz announcement Wednesday, mandating masks is yet another way for us to aid in slowing the spread of Covid-19. Starting Monday, we will be requiring members to wear a face covering of some sort (ie: mask, scarf, bandanna) when entering our facilities. We understand some members may be uncomfortable with these new rules, and encourage members to continue to utilize the drive-up, drop box and our electronic services. We continue to prioritize safe conditions for our members and employees and will continue to follow the guidelines that are set before us.

Stay positive and remember We Belong to You.
