Community Involvement

Credit Unions = We belong to you. To become a member at a credit union, you have to have a common bond. Our common bond is our communities. So, within our communities we foster growth, show ownership, and take pride in many of our community events, activities and organizations. Dawson Arts Association, Dawson Baseball, Dawson Robotics, RCW Baseball/Softball Association, RCW Public School Foundation, Renville Ambulance, these are just to name a few from each location. When you become a member at the Dawson Co-op Credit Union, you will know that we don't just take care of you financially, we also take care of your community.

Dawson Co-op Credit Union – We belong to you!
